

Media Publicity:

1. Media press release of "Next generation toilet (No-mix vacuum toilet)" was on 26 June 2012. Primary media including Channel 5, Channel 8, Channel U, Channel NewsAsia, The Straits Times, The Business Times, Lianhe Zaobao, Today, The New Paper, and online websites (e.g., TreeHugger, XinMSN, Yahoo News Singapore) reported the toilet. After the media release, the team received more than 50 enquiries globally up to date.
2. BBC's flagship technology programme 'Click' shortlisted the CRP project and came to film the developments to make towns and cities more sustainable and liveable through innovative research. The video has been broadcasted on 25 Oct 2013 at <http://www.bbc.co.uk/news/technology-24651214>.
